**Attachment A**

In February of 2021, OC San approved the Bay Bridge Pump Station and Force Mains Replacement Project, Project No. 5-67 ("Project"). The primary project components include: 1) pump station improvements; and 2) force main improvements. At that time, OC San certified the corresponding Environmental Impact Report for the Project ("EIR"). The EIR was challenged in court and a limited writ of mandate was issued.

In response to the limited writ of mandate, OC San has prepared an Addendum to the EIR that: (1) provides additional information regarding the use of Lower Castaways Park as a construction staging area; (2) identifies an additional construction staging area at OC San Plant No. 2 for soil storage/drying activities; (3) modifies mitigation measure TRA-1 to eliminate any reference to additional construction staging or material storage areas; and (4) modifies and addresses the enforceability of Mitigation Measure AES-1. Collectively, these clarifications and additions are referred to as the "Modified Project."

As evaluated in the Addendum, the Modified Project would not result in new significant impacts or a substantial increase in the severity of previously identified significant impacts. No additional environmental review is required. (Public Resources Code Section 21166; CEQA Guidelines Section 15162, 15164.)

On July 26, 2023, OC San's Board of Directors received and considered the Addendum along with the EIR, and approved the Modified Project.

ORANGE COUNTY CLERK-RECORDER DEPARTMENT

SUBJECT: Filing of Notice of Determination in compliance with Section 21108 or 21152 of the Public Resources Code.

State Clearinghouse Number (if submitted to State Clearinghouse): 2016111031

Project Title: Bay Bridge Pump Station and Force Mains Replacement Project

Project Applicant: Orange County Sanitation District

Project Location (include county): 300 East Coast Highway, City of Newport Beach, Orange County, California

Project Description:

The proposed project would replace the Bay Bridge Pump Station and associated force mains. The project would bring the pump station facility and force mains to current design and reliability standards to ensure continuous service for the Newport Coast service area. The primary project components consist of: 1) pump station improvements; and 2) force main improvements.

This is to advise that the Orange County Sanitation District has approved the above (input checked) Lead Agency or (input unchecked) Responsible Agency

described project on February 24, 2021 and has made the following determinations regarding the above (date) described project.

- 1. The project (input unchecked) will (input checked) will not have a significant effect on the environment.
2. (input checked) An Environmental Impact Report was prepared for this project pursuant to the provisions of CEQA. (input unchecked) A Negative Declaration was prepared for this project pursuant to the provisions of CEQA.
3. Mitigation measures (input checked) were (input unchecked) were not made a condition of the approval of the project.
4. A mitigation reporting or monitoring plan (input checked) was (input unchecked) was not adopted for this project.
5. A statement of Overriding Considerations (input unchecked) was (input checked) was not adopted for this project.
6. Findings (input checked) were (input unchecked) were not made pursuant to the provisions of CEQA.

This is to certify that the final EIR with comments and responses and record of project approval, or the negative Declaration, is available to the General Public at:

www.ocsd.com and Orange County Sanitation District, 10844 Ellis Avenue, Fountain Valley, CA 92708
